Multisyllabic Words

Open Syllable Sort

Directions: Cut out the multisyllabic, open syllable words. Then cut each word in half. Glue the first syllable of each word into the first column and the second syllable in the second column. Write the word in the 'Write it!' column. Say each word twice. Words in black ARE words and those in red are nonsense words.

paper	robot	relax
begin	music	tiger
bacon	defrost	minus
siren	dabum	netop
rotub	boneb	tuflop
